

A collection of gold jewelry and coins scattered on a white, textured surface. The items include a large gold piggy bank, several gold coins of various denominations, and numerous small gold pieces, possibly gold dust or small gold nuggets. The piggy bank is a pig-shaped container with a coin slot on its back. The coins are of different sizes and designs, some showing intricate patterns. The small gold pieces are irregular in shape and size, some appearing as thin flakes and others as small nuggets. The entire collection is set against a white, textured background that resembles a piece of fabric or paper with a fine, woven pattern.
